

# Thomas Robinson Architect's Annual Open Evening

Including guests Allied Surveyors and The Energy Savings Trust

## Introduction

Thomas Robinson Architects are holding their third annual Open Evening at Esporta Milngavie on Thursday 27<sup>th</sup> January 2011 between 5-9pm.

It is an open, drop in event between five and nine pm where anyone can come with their queries regarding their present or future projects. It is also possible to book a consultation appointment to avoid waiting. This year we have expanded our programme of events and invited guest consultants: Allied Surveyors and the Energy Savings Trust.

## About the Consultants

Thomas Robinson Architects are a local practice of architects. Their work ranges from new build projects to sensitive refurbishments of historic buildings. They specialise in conservation and sustainable design.

Allied Surveyors Scotland Plc is one of Scotland's biggest Chartered Surveyors' practices offering a unique combination of national coverage and intense local knowledge. Their expertise, experience and market awareness allows them to offer unrivalled service, whether you are thinking of buying your dream home, or want to take advantage of our wide range of commercial services.

The Energy Saving Trust is one of Scotland and the UK's leading impartial organisations helping people save energy and reduce carbon emissions. They provide expert insight, knowledge and advice about energy saving and support people to take action to save energy.
